# Together as One

Community Development Corporation  
**2019 Annual Report**

# 2019 Overview

One South Euclid promotes sustainable economic, social, and cultural connections to support a thriving and vibrant community.

One South Euclid (OSE) ensures the stability and growth of our city's neighborhoods and businesses by offering program grants, and organizing social and cultural events that bring us together as one community. We are a Board of citizen volunteers who reflect the diversity of our city and support the ideals of racial equity, community, culture, and transparency.

In this annual report at-a-glance, you'll find that 2019 was another productive year for OSE, full of exciting programs that spurred our community's growth. Our housing revitalization program (Build, Grow, Thrive), storefront renovations, beautification projects, and ally support programs continued to make a difference in the lives of South Euclid families and business owners. Our community events brought us together to enjoy music, food, and fellowship. And, while supporting others, we remained financially strong throughout the year.

As we look towards the future, areas of growth include rejuvenating the Mayfield-Green downtown, developing a Merchants' Association to create networking opportunities and an improved business climate, as well as forming an OSE membership that will be open to everyone in our community.

We wouldn't have been as successful without our strategic partner, the City of South Euclid, which allows us to reinvest in our community. We are also grateful to receive assistance from donors and volunteers like you, who come together as one to support an organization that ensures a stronger community.

We are one. We are all One South Euclid.

Len Calabrese  
2020 President, One South Euclid

## 61

Special-needs seniors received lawn mowing and snowplowing services.

## 50

Residents received Neighborhood grants permitting exterior repairs to their homes.

## 47
